# BUILDING HIS KINGDOM

"But God demonstrates his own love for us in this:

While we were still sinners, Christ died for us." Romans 5:8

Brothers and Sisters in Christ at Zion,

The theme of our campaign to enhance and expand our facility is: Building His Kingdom. Whenever we build, a good question to ask is, "Who is this for?" The simple answer is Jesus. The goal is for us to have the opportunity to reach more children and families for Him. God has given to each of us a glorious opportunity to join in doing something amazing that will impact Zion and our neighbors and community. We are asking you to be a part of Building His Kingdom with us, and to make an investment that will help reach more families and individuals in our community with the Good News of Jesus' love and salvation and the experience of the Christian fellowship that we enjoy.

You are invited to help us enable people to hear and follow Jesus at Zion Lutheran Church and School by contributing with your time, treasure and talent so that we can expand and refresh facilities for that purpose. Our facility needs updates and with more than 260 children in our school, we need more space! In this newsletter you will find times and dates of some very special informational forums that will help us address our facility needs and hear how these new facilities and improvements will help our ministry for Christ. In addition, you will have the opportunity to receive answers to your questions and learn about opportunities to get involved.

Getting involved in supporting the work of Jesus in this place is what Building His Kingdom is all about. I am hopeful that you will offer yourself in this effort or to say "yes" if asked. Building His Kingdom will not only be a blessing to us at Zion but also to our neighbors and community. I pray you'll join us in this exciting journey!

On behalf of the Building His Kingdom Team,

Pastor Dare
