

Jacque's Story

Name: Jacque Breman with Rev. Davis Wowa, Chair of Confessional Lutheran Church Malawi Synod

Organization: LCMS-Office of International Mission, Short-term Missionary

Where served: Malawi, Tanzania, Kenya [East Africa]. 2016 – present.

Mission Ministry:

- Respond to crop & vegetable production issues at villages identified by collaborating Lutheran church synods in Malawi, Tanzania, and Kenya.
- Use locally available, culturally appropriate resources to solve those crop & vegetable production issues, then teaching church villagers those solutions.
- Teach Lutheran church village congregations basic soil science, crop science, pest management principles, so they can feed their families.
- Present devotionals & short messages, as requested by local pastor/church lay person.

What this meant to me personally:

- Walking beside my Brothers & Sisters in Christ gives me renewed purpose and passion for my faith; I receive a much larger gift, than I can ever give.
- Am amazed at how much it means to our Brothers & Sisters in Christ by visiting, emailing, encouraging, sharing, caring, and praying with & for them.

How Zion Church family can learn more and become personally involved in international mission ministries:

- Learn what the Zion Church family is already doing by visiting our website at: www.zionalex.org
- Find what you are passionate about on our website, and become engaged!
